CHDP Provider Information Notice No.: 03-09

TO: ALL CHILD HEALTH AND DISABILITY PREVENTION (CHDP)
PROGRAM PROVIDERS

SUBJECT: CHDP GATEWAY TRAINING

As you know, beginning July 1, 2003, CHDP Program providers will pre-enroll children and youth into the Medi-Cal Program by using the CHDP Gateway pre-enrollment application (a revision of the DHS 4073). You and your staff are invited to participate in training sessions that will introduce the eligibility requirements of the CHDP Gateway, and the benefits of pre-enrolling children and youth into fee-for-service Medi-Cal. The training will also include a demonstration of how to submit a pre-enrollment application using either the Internet or a Point of Service device. The training sessions will be presented by staff from the State Children's Medical Services Branch and Electronic Data Systems (EDS).

The enclosed flyer identifies 12 locations where training will be conducted between May 20, 2003, and September 16, 2003. Each training includes two sessions per day. One session is from 8:30 a.m. to noon and the second from 1 p.m. to 4:30 p.m. Specific information regarding the six sessions to be conducted after July 1, 2003, will be available in the June Medi-Cal bulletin and will be available on the Medi-Cal website at www.medi-cal.ca.gov.

To secure space at these trainings, it is recommended that you telephone the EDS automated RSVP system, at 1-800-541-5555 to register. If you have any questions, please contact your local CHDP Program.
